
JOB ADVERT

Lead Project Manager, Projects Group

£65,000 to £70,000 (Dependent on Experience)

Knutsford, Cheshire

If you have a passion for engineering and pioneering sustainable projects, then there has never been a better time to join Stopford.

Stopford has an exciting opportunity for a Lead Project Manager to join the projects group on a full-time permanent basis.

The Role of Lead Project Manager

Reporting to the Project Group Director, the Lead Project Manager shall be responsible for the Project management and delivery team of the Projects Group. The Lead Project Manager will be responsible for the successful evaluation, planning and execution of our range of projects by building and managing a team of Project Managers and Engineers; Developing and ensuring compliance with appropriate processes and procedures; and working closely with the Engineering and Workshare Managers and other Group Leads to manage the daily operations of the Projects Group.

The Company

Stopford is an international multi-disciplinary consultancy, engineering design and project management services company founded in the UK in 1982. We work with companies around the world in emerging and existing industries, *our ambition is to lead the way in engineering a sustainable world towards a low carbon economy.*

We have ambitious plans for future growth over the next three to five years supporting our key clients in the renewables and green energies sector and commercialising Stopford's green technology portfolio. We have a significant opportunity to expand our operations in the UK and internationally and the role of Lead Project Manager will support this growth.

Your time will primarily be based at our office at Knutsford.

Employment at Stopford brings many benefits including:

- Competitive salary
- Profit related bonus scheme
- Pension
- 25 days holiday plus bank holidays
- Private medical insurance
- Employee assistance programme
- Free on-site parking

To be successful in the role of Lead Project Manager you will:

- Ideally be educated to degree level and a Chartered Engineer / Manager.
- Have significant experience in either, oil & gas, petrochemicals, energy or renewable energy industries.
- Have significant experience of working in a design, engineering and construction environment at FEED and PMC / EPC(M) phases of the project.
- An ability to think strategically and develop long range plans, understanding the implication of changes to contract scope.

- An ability to work collaboratively with all engineering, commercial and construction disciplines.
- Experience of managing and building a team of project managers, engineers, suppliers and sub-contractors.
- Knowledge and Experience of Designer, Principal Designer and Principal Contractor Roles under CDM.
- Knowledge and understanding of different forms of Contract (IChemE, NEC etc)
- Experience in working in and managing multi-discipline teams
- Experience in managing client relationships in a senior management role
- Clear and concise communication in both written and verbal form with excellent people management and interpersonal skills
- Working knowledge of Office 365 including One Drive and Sharepoint with proficient use of Word and Excel
- Full UK/EEC driving licence

Desirable

- APM qualified with ongoing CPD
- Able to travel overseas for short project visits

Please go to our website for a full job description to familiarise yourself with all of the responsibilities, skills and experience required before you apply.

Please note that we do not accept applications from agencies, and you must be eligible to live and work in the UK.

We look forward to receiving your CV for the post of Lead Project Manager.

Closing date: 11 August 2022

Stopford reserves the right to bring forward the closing date if we receive a suitable number of quality applications from which to make a shortlist. Therefore, we would recommend that you apply as soon as possible.

Please note that due to the volume of applications we receive we are unfortunately not able to respond to each applicant. If you have not been called for interview within 3 weeks of the closing date, you should assume that on this occasion your application has been unsuccessful.
